

NORTHWEST SCIENTIFIC ASSOCIATION

Founded 1923

Dear Northwest Scientific Association Member:

This notice is a reminder to renew your membership in the Northwest Scientific Association for 2026. **Individual members may renew ONLINE at www.northwestscience.org**, or using the form below.

In addition to supporting the quarterly scientific periodical, *Northwest Science*, **individual members** are invited to access the journal online through BioOne for no additional cost and may opt to receive print copies of the journal for an additional \$82/year. More information about BioOne can be found on the Northwest Scientific Association website.

Individual members renewing using the form below, please indicate preference to receive paper journal.

Thank you.
